

TLA DRAWING POCKET

Part No. DRA04/M

For Professional Storage of A4 Documents Within Your Enclosure

With storage for documents up to and including DIN A4, the TLA drawing pocket can be easily mounted on all enclosure surfaces without the need for additional mounting accessories, e.g. on the side panel of a floor standing enclosure or on to the door of a wall mounted enclosure.

Features:

- Available in RAL7035 or black
- Strong thermoplastic construction
- Self-adhesive with pre-cut fixing holes where required
- Usable depth of 30mm
