

Datasheet

Art.No. R1.200.6001.0

Emergency stop accessories SNH 6001

housing IP67

Art.No.	R1.200.6001.0
EAN	4049088055614
Order unit	1 pieces

Approvals

Technical data

Technical data

Housing material	Plastic
Degree of protection (IP)	IP67

Dimensions

Depth	72 mm
Width	72 mm
Height	62 mm

Accessories / components

Art.No.:	Type:	Description
R1.200.0001.0	Emergency stop contact blocks SNH 0001	contact block, 1 NC
R1.200.0002.0	Emergency stop contact blocks SNH 0002	contact block, 1 NC (contact-break-detection)
R1.200.0003.0	Emergency stop contact blocks SNH 0003	contact block, 1 NC (contact-break-detection) / illumination
R1.200.0011.0	Emergency stop contact blocks SNH 0011	contact block, 1 NC / 1 NO
R1.200.0012.0	Emergency stop contact blocks SNH 0012	contact block, 1 NC (contact-break-detection) / 1 NO
R1.200.0013.0	Emergency stop contact blocks SNH 0013	contact block, 1 NC (contact-break-detection) / 1 NO / illumination
R1.200.0021.0	Emergency stop contact blocks SNH 0021	contact block, 2 NC
R1.200.0022.0	Emergency stop contact blocks SNH 0022	contact block, 2 NC (contact-break-detection)
R1.200.0023.0	Emergency stop contact blocks SNH 0023	contact block, 2 NC (contact-break-detection) / illumination
R1.200.0031.0	Emergency stop contact blocks SNH 0031	contact block, 2 NC / 1 NO
R1.200.0032.0	Emergency stop contact blocks SNH 0032	contact block, 2 NC (contact-break-detection) / 1 NO
R1.200.0033.0	Emergency stop contact blocks SNH 0033	contact block, 2 NC (contact-break-detection) / 1 NO / illumination

R1.200.0200.0	Emergency stop heads SNH 0200	operating element (w/o signaling of operation)
R1.200.0300.0	Emergency stop heads SNH 0300	operating element IP69 (signaling of operation)
R1.200.0400.0	Emergency stop heads SNH 0400	operating element (signaling of operation + illumination)
R1.200.0500.0	Emergency stop heads SNH 0500	operating element (signaling of operation + key unlocking)
R1.200.0600.0	Emergency stop heads SNH 0600	operating element (signaling of operation + protection collar)
R1.200.0700.0	Emergency stop heads SNH 0700	operating element (mit signaling of operation, protection collar and key unlocking)
R1.200.1101.0	Emergency stop complete SNH 1101	E-Stop button (SNH 0100, 1 NC)
R1.200.1102.0	Emergency stop complete SNH 1102	E-Stop button (SNH 0100, 1 NC (contact-break-detection))
R1.200.1111.0	Emergency stop complete SNH 1111	E-Stop button (SNH 0100, 1 NC / 1 NO)
R1.200.1112.0	Emergency stop complete SNH 1112	E-Stop button (SNH 0100, 1 NC (contact-break-detection) / 1 NO)
R1.200.1121.0	Emergency stop complete SNH 1121	E-Stop button (SNH 0100, 2 NC)
R1.200.1122.0	Emergency stop complete SNH 1122	E-Stop button (SNH 0100, 2 NC (contact-break-detection))
R1.200.1131.0	Emergency stop complete SNH 1131	E-Stop button (SNH 0100, 2 NC / 1 NO)
R1.200.1132.0	Emergency stop complete SNH 1132	E-Stop button (SNH 0100, 2 NC (contact-break-detection) / 1 NO)
