

Code	LG9099MB-RCD
Description	1 Gang 13 Amp Latching/Passive RCD Socket DP (Switched)
Size	87mm x 87mm x 50mm
Range	Selectric Metal Clad
Colour	Grey
Material	High grade steel with aluminium epoxy powder coating
Included	Back box & M3.5 fixing screws
Weight	0.38kg
Inner Carton Quantity	10
Inner Carton Weight	3.8kg
Guarantee	5 years
Barcode	5025117700105
Commodity Code	8539 319090
Standards	BS 1363-2 & BS 61543
Notes	<ul style="list-style-type: none"> • RCD (residual current device): RCDs are life-saving devices which are designed to prevent you from getting a fatal electric shock if you touch something live, such as a bare wire • LATCHING or PASSIVE: When the power is lost due to an earth fault, the RCD trips out and isolates the circuit it is protecting. Latching RCD's do not trip during power cuts so they are great for fridges, freezers, fish tanks, battery charging and also for protecting remote/unmanned areas • Surface mounting box included
