Product datasheet Characteristics

LUFN20 auxiliary contacts LUF - 2NO

Main

Range of product	TeSys U	neciji.
Range	TeSys	for sa
Device short name	LUFN	——————————————————————————————————————
Product or component type	Auxiliary contact	G

Complementary

		3
Auxiliary contact composition	2 NO	<u> </u>
[Ue] rated operational voltage	<= 250 V AC <= 250 V DC	o villidei
[Ui] rated insulation voltage	250 V conforming to UL 250 V conforming to CSA 250 V conforming to IEC 60947-5-1	emining su
[Ith] conventional free air thermal current	5 A	of for det
Minimum switching voltage	17 V	, since the second seco
Minimum switching current	5 mA	
Product weight	0.05 kg	<u> </u>
Compatibility code	LUFN	for and
