# Product datasheet Characteristics

## LUFN11

## auxiliary contacts LUF - 1NO + 1NC

#### Main

TTOTAL		c
Range of product	TeSys U	neciji.
Range	TeSys	for sa
Device short name	LUFN	——————————————————————————————————————
Product or component type	Auxiliary contact	

#### Complementary

		4
Auxiliary contact composition	1 NO + 1 NC	<u>.</u>
[Ue] rated operational voltage	<= 250 V AC <= 250 V DC	o villity
[Ui] rated insulation voltage	250 V conforming to IEC 60947-5-1 250 V conforming to UL 250 V conforming to CSA	emaining s
[lth] conventional free air thermal current	5 A	
Minimum switching voltage	17 V	<u> </u>
Minimum switching current	5 mA	
Product weight	0.05 kg	<u>. v</u>
Compatibility code	LUFN	- Control of the Cont

### Contractual warranty
